creating your dream home

## Pinela Deluxe; Aluminium Louvered Roof The convertible effect in your garden

Would you like to have an open space above your terrace in no time? With the push of a button, you can open the roof panels of the Pinela Deluxe and create a convertible effect in your garden.

In the open position, the pergola offers maximum light. At the same time, in a closed position the Pinela Deluxe protects against various weather conditions and offers you a shady spot on sunny days. Rain or shine, you will experience the ultimate outdoor living feeling.

# Pinela Deluxe

With the Pinela Deluxe you can create an outdoor space that offers protection against all types of weather. When you open the synchronously moving panels, a large space is created above your terrace. When closing, the panels simultaneously press on the gaskets of the side profiles providing optimal protection.

### Automatic operation

You can control the roof of the pergola with one push on the remote control of the Somfy system.

### Effortless drainage

The water on the panels is led to the gutter and then drained effortlessly.

### Optimal light

When the panels are fully opened, you will experience optimal light.

### Protection

The panels close with a synchronous movement on the side profiles, which guarantees optimum protection.
